

Re-Elect

Nikiya

Harris

MILWAUKEE COUNTY SUPERVISOR DISTRICT 2

Supervisor Nikiya Harris was elected out of a crowded field of 11 candidates in May of 2010 to serve the 2nd District on the North side of Milwaukee. On the board, she serves on the Economic and Community Development, Transportation, Public Works and Transit, and Health and Human Needs committees. She was recently appointed to the Milwaukee Child Welfare Partnership Council by Governor Jim Doyle.

Since taking office, Supervisor Harris has fought diligently making sure her constituents' voices are heard. In just six months, she has held four town hall meetings and conducted a survey that encouraged her neighbors to engage in the democratic process of county government during the 2011 budget process.
